INVITATION

Dear colleagues,

It is our immense pleasure to inform you that one day symposium on 'Diabetes Update' will be held at College of Medicine and JNM Hospital, WBUHS, Kalyani, Nadia, West Bengal on 5th November, 2019. We eagerly await your auspicious presence.

The Indian Society for Rational Pharmacotherapeutics (ISRPT) was founded in New Delhi in 2007 by a group of pharmacologists. The objective of ISRPT are to foster and disseminate the science of drug research and its rational use, advancement of Clinical Pharmacology in the country, develop and suggest contemporary changes in curriculum and syllabus for Medical Undergraduate and Postgraduate students in Pharmacology, provide expertise for conducting and monitoring Clinical trials in India, foster the culture of Pharmacovigilance in the country, empower the patients / public in safe use of drugs/medicines (Patient advocacy).

College of Medicine & JNM Hospital, WBUHS, Kalyani, Nadia, was set up under the ownership and administrative control of the West Bengal University of Health Sciences (WBUHS), in the year 2009 with objective to provide best teaching facilities and knowledge among medical students (MBBS) and to provide the best medicare facilities to the people in and around Kalyani.

Diabetes is a leading health burden in India. Studies in different parts of India have demonstrated an escalating prevalence of diabetes not only in urban populations, but also in rural populations. The prevalence of prediabetes is also high. Rational therapy with close monitoring are urgently required to control blood sugar level and to decrease the micro and macro vascular complications and ultimately betterment of QOL.

This symposium will highlight the pathophysiology, treatment options, and management of complications of Diabetes.

You are welcome to College of Medicine & JNM Hospital, WBUHS, Kalyani, for this academic feast.

With best wishes and hoping to see you in Kalyani.

Dr. Abhijit Das
Organizing Secretary
